

GENUINE ECZEMA REMEDY.

New Remedy That Cures Eczema Quickly.

The Lee & Osgood Co. have sold hundreds of jars of Hokaia in the last few weeks, and although they offered to refund the purchase price to any dissatisfied purchaser, not one jar has been returned.

While this is surprising in itself, yet the most marvelous thing to them is the reports of chronic cases of eczema that have been cured by this simple skin food. People who have suffered with scales, scabs and even bleeding itching have found relief and cure in Hokaia.

No matter where the eczema, pimples or other breaking out occurs, whether on the face, hands, legs or body, the application of Hokaia will give quick relief, and even the worst or most chronic cases will be cured in a short time.

You can buy a liberal-sized jar at the very low price of 25c, and with every package goes The Lee & Osgood Co.'s guarantee to refund the money if it is not satisfactory. Larger size 50c.

The Kind They Recognize.

The Philadelphia Inquirer measures men by the standards of Pennsylvania Republicanism. It can find no stronger words with which to close a eulogy on Senator McNary than those: "His was a Southern Democrat-Republican, he went after the goods on all occasions and always got them."—Norfolk Virginian-Pilot.

Parish Priest's Advice Led to Her Recovery

"Thin, weak, or frail people—those who 'take cold easily'—should be prepared with Eckman's Alternative in the house. Remarkable cures of even Tuberculosis (Consumptive) persons are often accomplished. For Rheumatism, Stomach and Hay Fever no more effective remedy exists."

Lacon, Ill., April 14, 1907. "I was troubled with asthma and bronchitis for seventeen years. After trying many remedies Eckman's Alternative was recommended to me by our Parish Priest. I am now feeling fine. I cannot speak too highly of it."

(Signed Affidavit) Anna Mae McPhee, Eckman's Alternative is good for all throat and lung troubles, and is on sale in Norwich by Lee & Osgood Co., and other Drug Stores. Ask for your local Druggist. Ask for Hokaia if you are cured. Cases, or write for Evidence to the Eckman Laboratory, Phila., Pa.

Probable That They Will Be Presented on Monday, Chief Stanton and Rev. N. P. Carey, Being on the Committee.

At the last meeting of the state fire chiefs' association it was voted to have resolutions drawn up and presented to Chief Fancher for his excellent work at the recent fall fire in New Haven. Carey of this city, the latter being state chaplain, the resolutions were ready, it is expected that they will be presented to Chief Fancher at New Haven formally on Monday.

SUIT FOR DIVORCE.

Case Returnable in This County in September.

William F. Hedeler of New Britain was served with papers Thursday by Deputy Sheriff M. D. Steadell in a suit for divorce brought by his wife, Mrs. Carrie M. Harrows. Hedeler, at present a resident of New Britain, the writ was served on the defendant at Martin's tobacco store, where he is employed. The case is returnable before the superior court at New London in September. Charles F. Thayer, mayor of Norwich, is counsel for the plaintiff.

The Hedelers were married Oct. 27, 1903. They have one son, Arthur, and one daughter, Mary. Hedeler is the child as well as an absolute degree. She sets forth intolerable cruelty as the ground. The Hedelers came into prominence some time ago when the husband engaged detectives, who brought forth alleged compromising evidence against him. Plaidie, says the New Britain Herald. The case was dropped at the time and Mrs. Hedeler is now bringing action.

Excellent Portrait of Governor Lilly.

Charles Noel Flagg of Hartford, the artist, recently completed a portrait of the late Governor George L. Lilly. It will probably be hung in the state library before the books and portraits there are moved to the new building, at least for some time. It is a three-quarter length painting of the late Governor Lilly and represents him in a characteristic pose. He is standing by a table upon which his left hand rests, while his right holds a book, the forefinger being between the pages. The painting was recently by Mrs. Lilley, who is greatly pleased with it.

ROAD HELPS NON-UNIONISTS.

Gives Them More Money, Too—Doesn't Say Why it Does.

The New Haven railroad has decided to grant an increase of 6 per cent. in the wages of a number of thousands of its operatives outside of labor organizations. This increase took effect on July 2. It covers motive power transportation, parlor car service, detectives, etc.

Certain exceptions are noted in the announcement of the wage advance. This list of exceptions includes the crossing watchmen, or flagmen, most of whom are regarded as pensioners on the company's payroll. The other and somewhat significant exception, is the sleeping car porters. The road probably thinks they make enough money.

This increase of pay will cost the road a substantial amount.—New Haven Journal-Courier.
